

MUSIC PLANNING

With the goal of helping to make music a special enhancement to your marriage liturgy, I have given below a list of music suggestions for your consideration. Many have links to YouTube so you can listen and get an idea of melody, feel and lyrics. I hope this helps you as you make choices for your liturgy. Other sacred music not listed may be used and some classical music as well, if specially requested and approved.

Please take time to review the music recommendation, then contact me for additional information on available musicians and other details regarding music. Things to consider: vocalist – male or female, piano and/or organ, other instrumentation such as guitar, flute, strings, etc. I look forward to working with you to accomplish the goal of making music a special part of your wedding liturgy.
