March 15, 2020 (2:00 PM)

Dear Frassati Families:

At 10:00 AM today (Sunday), Governor Tim Walz announced the closure of Minnesota schools, beginning on Wednesday, March 18, 2020 and running through March 27, 2020. This afternoon, Archbishop Hebda announced that all Catholic Schools, including Frassati Catholic Academy, will follow the decision of Governor Walz and be closed to students from March 18-27, 2020.

Frassati Catholic Academy, following Friday's decision of the White Bear Lake Schools, will also be closed to students on Monday and Tuesday (March 16-17, 2020), as was previously communicated to you.

Therefore, Frassati Catholic Academy will suspend classes in the building from Monday, March 16, 2020 through and including Friday, March 27, 2020. All school related events are canceled, as well.

The Frassati teachers and staff will be on site beginning on Monday, March 16, 2020. We will discuss the many issues raised by the closing of our school, including teaching plans, office hours, communication plans, and the distribution of technology and other resources. We will also discuss the best practices for ensuring that our classrooms and common areas are safe and clean, once our children return to the building. I will communicate those plans to you after our meeting.

I want to emphasize that the Frassati staff and community are here for you. Please contact the school office with any concern and we will do our best to help you resolve the situation.

Please pray for our teachers and staff and all our Frassati families. Please continue to pray for the healing of the sick and the protection of all health care workers. May God bless our local, state and national leaders with the wisdom, humility and courage to make the best decisions for the common good.

In Christ,

Mr. Gallivan
