Dear Frassati Families,

Governor Tim Walz announced an extension of Minnesota school closures during his news conference yesterday. Schools will remain closed from Monday, March 30 through Monday, May 4. Frassati Catholic Academy will follow the decision of Governor Walz and be closed during that time period. Frassati Catholic Academy will continue distance learning during the school closure.

Distance Learning:

- Students in grades K-4 will continue to receive instruction from their teachers via email.
- Students in grades 5-8 will continue using Google classroom to receive instruction. A separate parent letter will be emailed from Mrs. Heinz explaining in more detail the expectations as we move forward.

The Frassati staff and community are here to serve our families. Please contact me with any questions and I will do my best to assist you in resolving any issues. I can be reached via email at patrick.gallivan@frassatiwbl.org.

Please continue to pray for our school community, those affected by the virus, and all those who care for them.

In Christ,

Mr. Patrick Gallivan
Principal
