COVID Considerations:

- Whatever the CDC protocols are at the time of VBS, we will follow them.
- The event will take place outside on the church grounds. Please dress accordingly. Canopy tents will be placed around the grounds to provide a certain amount of cover. If rain becomes an issue, we will move into the church building.
- Children will sit next to and walk with only the other members of their group the whole week. When singing, all children will be distanced.
- This year we are allowing participants to sign up in groups of five. Please list other children with whom you would like to be in a group. Make sure they register themselves for this event and include your name on their group list.

Check here if you are not part of an existing group and would like to be assigned to a group by the staff.

Other group members: (first and last names)

- This year, we are providing three learning stations: Bible Adventure, Imagination Station, and Music. Our opening and closing gathering, when all the children will be together in one area, will be limited to 10 – 15 minutes. The songs will be learned as a rotation station with three small groups (approximately 15 people) at one time and the children will be distanced from each other so they can sing (with masks on) and dance.
- The “Chew Chew Snacks” will be made by adult volunteers ahead of time and distributed to the children as they leave the “train station” at the end of the morning.
