### **A Veterans Collection 'Thank You'**

**Thank you so much for the 100s of items (including \$305 cash!) collected to support our men and women military veterans at ETS. Every Third Saturday (ETS) exists to assist homeless and struggling veterans. ETS offers programs and services to veterans pursuing growth and post-traumatic success, including a free store in Minneapolis where your donations will be made available to them. Thank you for your generous hearts!**
