

HABITAT FOR HUMANITY

Summer Build

Mon - Thu July 22-25

1408 22nd St E Minneapolis

To volunteer for the build, please email LowAnn at lowannbelden@gmail.com - letting her know you are interested in signing up & then follow the link below to set up your account with Habitat (or scan the QR code)

<https://tinyurl.com/tchabitatbuild>

To provide a dish or dessert for lunch, please call LowAnn at 612-741-2614.

There are two ways to support our neighbors who desperately need safe, affordable housing:

- Volunteer to help at the build
- Be part of a team to provide lunch for the workers.

This will be a new construction project in the 7th week of the build, so we will be working on it in a pretty early stage. As in the past, we are working alongside members of St John's in the Wilderness Episcopal Church and White Bear Unitarian Universalist Church in Mahtomedi. Between the three churches, we hope to have 15 volunteers per day.
