

# St. Mary of the Lake Presents A Weekend with Sarah Hart

*The music ministry at St. Mary of the Lake is dedicated to nurturing and presenting our gifts and talents to God, fostering a spirit of collaboration and community among musicians and the assembly as we grow our faith.*

At St. Mary of the Lake, we recognize and appreciate the vital role music plays in our community. It enhances our Mass, enriches personal prayer, and brings us together as a congregation. We are excited to offer our parish with the opportunity to host an engaging event that will also strengthen our music ministry program.

In January 2026, St. Mary of the Lake is proud to welcome Sarah Hart for a special weekend! The event will feature a Musician Workshop, a Parish Concert, and Ms. Hart will also lead the music at all weekend Masses.

## JANUARY 2026 WEEKEND WITH SARAH HART

**Saturday, January 24:** 1:00 PM Musicians' Workshop; 5:00 PM Mass  
**Sunday, January 25:** 9:00 and 11:00 AM Masses; 6:00 PM Parish Concert

The feedback we've received about her events has been incredible, and we want to extend this wonderful experience as far and wide as possible! To cover the expenses related to Sarah's work, travel, meals, and more for an entire weekend, financial support is crucial. Therefore, we are actively seeking sponsors to help alleviate some of these costs. **Our fundraising goal is \$11,000.**

**For every \$250 donation, your name will be entered into a drawing for a chance to enjoy dinner with Sarah Hart and the St. Mary's Event Team during her visit. Each additional \$250 donated grants you another entry! For instance, a donation of \$1000 will earn you four entries. The drawing will take place as soon as we reach our goal, so you can plan accordingly. Donations can be made by check or online by scanning the QR code. Check the box "Sarah Hart Event".**

We encourage you to share the excitement of this amazing weekend with both parishioners and non-parishioners. Your support for our Music Ministry creates a joyful experience you cherish every weekend during Mass!
