**9 AM – Worksites:** You will be divided into small work groups of 5-7 youth and 1-2 adult chaperones. Each participant will be working with a team of people who are not from their own church group. For many this becomes a highlight of the week. You may or may not be at the same location for the whole week; it depends on the project, weather conditions and duration of work. While at your worksite, you will break for lunch each day and have a Prayer/Share time where you will go over discussion questions, explore the Catholic faith, and get to know your team on a deeper level.

**~3 PM – Return to school building/Free time**

**~5:15 Dinner & After Dinner Program:** Evening programs will inspire you to continue serving the next day and renew your commitment to God. The first half of each evening program will include fun games and upbeat music, and then we will transition into a more prayerful time with skits, videos, talks, praise and worship, and other opportunities to deepen one's faith and reflect on the day's activities.

**Transportation:** We will be sharing a coach bus with St. Bridget's and St. Gregory's. Vetted drivers or buses will transport groups to and from work sites during the week.
